

eXperience 450

computerized sewing machine

SMALL PRICE, GREAT VALUE

The elna eXperience 450 is budget-friendly and simple to use. Yet, it offers all the essential features that you need for performing a variety of sewing tasks.

- invaluable functions easily operated with a button
 - Start / Stop to run the machine
 - easy reverse sewing
 - automatic lock stitch to secure seams
 - needle up/down position
- control slider to adjust sewing speed

EASY THREADING

You will love these tools to facilitate the machine threading! They will help you start off your work without any difficulty or waste of time:

- top-loading, horizontal rotary hook that ensures smoother sewing and avoids thread jams
- built-in needle threader that enables to thread the needle in just one movement

ALL THE ESSENTIALS

Compact and lightweight, this model's equipment is completed with many other helpful elements, including:

- 30 functional and decorative stitches with manual or automatic adjustment of their length and width
- free arm for sewing tubular items, such as sleeves or trouser hems
- three additional presser feet for special sewing tasks: zipper foot, satin stitch foot and buttonhole foot
